LABOR DAY BRINGS BIGGEST POOLSIDE TURNOUT YET

Beacon Hill residents enjoyed their largest in-house turnout yet this Labor Day weekend! Despite Saturday's iffy forecast, Sunday brought sunshine and neighbors flocked to the pool. The motorized loungers were the star attraction, making the day even more fun. A special thanks to Kash and Carrie Sethi for organizing this event.

SEPT. MILESTONE

This month we celebrate Richard Chalker's closing anniversary! He purchased Lot 12 in September 2021 and Lot 11 that November. Richard and his wife, Jamie have created a fantastic backyard on Lake Ava, where neighbors and friends often enjoy their hospitality.

JETTY RAIL PAINTING UNDERWAY

Please be aware that the railing along the entire west jetty near the pool is currently being painted. Use caution in the area and while venturing out onto the jetty. Thank you for your patience as this work is completed. Freshly painted sections will be marked until fully dry.

POOL RESERVED SUNDAY

The Hyman's of Lot #13 will host a family gathering Sunday 9/7 from 4–8 pm at the pool. The reservation process is a courtesy, letting others know the pool will be in use so they can plan around it. Pool hours remain open to everyone, sharing plans helps keep things running smoothly.
