CONSTRUCTION LENDING UPDATE

With the recent reduction in interest rates, opportunities for building at Beacon Hill have become even more attractive. We are currently working with Cardinal Financial to explore construction loan packages designed to support lot owners. As these details come together, we encourage residents considering building to stay tuned for updates that could make starting your project more timely and cost-effective.

DRONE PHOTOGRAPHY SCHEDULED

Our professional drone photographer will be on-site Friday, September 19th, later in the afternoon to capture updated images and video of the community. These visuals will be used in upcoming marketing campaigns to highlight Beacon Hill's natural beauty, amenities, and unique lifestyle.
