REMEMBERING WINTER 2021

During the historic winter storm of 2021 that blanketed East Texas and the DFW area, Beacon Hill was transformed into a quiet, breathtaking winter landscape. Snow-covered shorelines, frozen reflections, and still waters created a rare and beautiful view of the community—one we'll always remember for its natural beauty and peacefulness. As the recent weather moved through, Beacon Hill offered a calm and picturesque backdrop across the community.

RESIDENT FISHING SPOTLIGHT

Our resident and “fisheanado” Chuck Smith (lot 14) hosted dear friends and colleagues this past weekend at Lake Ave Rosetta, taking advantage of the perfect conditions for great fishing. Smith and guests then relocated and finished up on the West Jetty to drop more lines in as the sun began to set. Thank you, Chuck, for sharing these moments with us. We always enjoy seeing residents make the most of life at Beacon Hill.

We celebrated three Lot Closing Anniversaries last month, all marking families who now enjoy life at Beacon Hill year-round. Congratulations to the Greek Family (Lot 39 – 2022), the Pasquinelli Family (Lot 91 – 2021), and the Fey Family (Lot 90 – 2021). We love celebrating residents who call Beacon Hill home.
