BEACON HILL LAUNCHES NEW BUILDER PROGRAM

In conjunction with Cardinal Financial, OneHome.com, and three DFW-area homebuilders—Ruffin Custom Homes, L&E Custom Homes, and Harrill Construction—we are excited to announce a new co-branding initiative featuring Cardinal Financial’s “Build to Suit Program,” launching later this month. This first-of-its-kind homebuilding program, offered on three select off-water homesites, will give new lot purchasers the option to choose from three modern contemporary floor plans, with one closing covering both the lot purchase and construction loan.

CARDINAL FINANCIAL - BEACON HILL'S LENDER OF CHOICE!

As we continue exploring creative new construction lending programs available for existing lot owners, we are teaming up with Jerry Scott at Cardinal Financial to help introduce options through a series of upcoming informational events. These gatherings will provide lot owners the opportunity to learn more about financing pathways, ask questions directly, and better understand how these programs support their building timeline and long-term plans.

We’re recognizing 6 Lot Closing Anniversaries this month, celebrating families who continue to make Beacon Hill home. Congratulations to the Rhodes Family (Lot 1 – 2020), the Long Family (Lot 19 – 2022), the Kannapan Family (Lot 56 – 2022), the Patel Family (Lot 62 – 2022), the Estremo Family (Lot 97 – 2022), and the Chen Family (Lot 100 – 2022). We’re grateful for each resident who contributes to the growth of Beacon Hill.
